REPORT

On 6 February 2019, GRV Stewards held an inquiry into the transport of High Tail & Zero Five to the Healesville Greyhound Association Meeting on 6 February 2019.

Evidence was taken from Registered Trainer Mr Peter Schofield.

After considering all the evidence tendered, the Stewards issued a charge to Mr Peter Schofield under GAR 86 (ag) for failing to comply with a policy adopted by a Controlling Body with the specifics of the charge being that on Wednesday 6 February 2019, Mr. Schofield transported High Tail & Zero Five in a vehicle that was not air-conditioned, contrary to the requirements of the GRV Transport Policy for hot weather affected meetings.

Mr Schofield pleaded guilty to the charge and was issued a \$250.00 fine.

In determining penalty, Stewards took into consideration Mr Schofield's good record in relation to this rule, his length of time in the industry, similar offences and the fact that High Tail & Zero Five were passed fit to race by the on-course veterinarian. Stewards were also mindful of the potential for adverse welfare outcomes as a result of breaching the GRV Transport Policy.

Further, the Stewards remind all participants that the requirements of the Hot Weather and Transport Policies are non-negotiable, and sanctions will apply for non-compliance issues.
